ROAD WARRIOR® PROGRAM

A Letter from The President

Dear Corporate Road Warrior,

I know that you fly a lot, as do I. You probably share my belief that we Road Warriors have simple, but vitally important, expectations when we travel. Vanguard Airlines' Road Warrior® Program offers flexibility and many of the perks of flying a more expensive airline at a fraction of the cost.

Our Executive Fares are fully refundable and are roughly 50% lower than comparable fares on the major airlines. If your plans change at the last minute, you can make changes to your itinerary with no service charges and still be guaranteed a seat. With preassigned seating, express check-in and our timely arrival guarantee*, you will love flying Vanguard.

In addition, if you buy 10 or more Executive Fares in advance for a route you fly frequently, you will receive a 10% discount on your bulk purchase, while still enjoying all the benefits of our Road Warrior® Program.

For enrollment and information, call 1-888-U-FLY-EXEC (1-888-835-9393), e-mail us at rwdesk@flyvanguard.com or visit our website at www.flyvanguard.com.

Thank you for choosing Vanguard Airlines.

Sincerely,

Robert J. "Rocky" Spane
CEO and President
